Guardians of the coast and sea, the Elaphite Islands have been home to generations of sailors. Our full day excursion is by speedboat.

Day 6 | June 13 | Split, Croatia (Hvar Island)

Board the ferry and set sail for the picturesque hamlet of Hvar Island. The serenity belies the fierce 16th century uprising against the cruelty and inhumanity of Venetian nobility. Important sites include the Dominican Monastery, Hektorovic's Castle and the UNESCO town of Stari Grad.

Day 7 | June 14 | Split → Plitvice, Croatia

It's hard to conjure anything more wondrous than 16 terraced lakes, joined by waterfalls, flowing into a limestone canyon. This photo enthusiasts' dream was described by Rebecca West as "the most laughing and light-minded of natural prodigies."
